

Red Cross Drive Starts on First of March

War Loan Sales Still Mounting

\$80,000 Over the Quota Sold Here

Sale of E Bonds Goes Over Top; With Few More Days Counting on Drive Quota

Bond sales in Randall county for the 4th War Loan Drive are over the top with a good margin to spare.

Sales outside of the county, which are credited to this county, have pushed the total sales \$80,000 above the quota.

The quota for E Bonds has been passed by \$3,000.

This report was received yesterday by County Chairman R. H. Wright.

The sale of E Bonds during the balance of the month count on the 4th War Loan Drive, and the total sales will therefore be considerably increased by next Tuesday night.

Mr. Wright is highly pleased that the county has made such a fine record in this bond campaign. He will make a full report on the sales when the figures for the month are all in. Many sales have been made this week.

Family of Harvey Cash Here Tuesday For Reunion

On Tuesday Mr. and Mrs. Harvey Cash had an unexpected family reunion at their home in Canyon.

Major Harvey Cash, Jr., with his wife and son, Berryman, came home for the first time in five years. Major Cash is with the Signal Corps in Washington, where he has been stationed for two years.

To see their brother, Mrs. O. J. Laas, Plainview and Mrs. Rufus A. Dodgen of Shamrock came home too. With Mrs. Laas were her husband, Mr. O. J. Laas, Superintendent of Schools, Plainview, and her two daughters, Frances and Dorothy. Mrs. Dodgen was accompanied by her children, Carolyn, Allan and Donald.

Two aunts, Mrs. Ann Holman and Mrs. Horace Baird, came from Hereford to visit with Major Cash and family Tuesday evening. Mr. Horace Baird and Miss Mary Ann came also.

Another daughter of the Cashes, Mrs. O. P. (Rosa) Cowart, who is in Murfreesboro, Tenn., where her husband is stationed, could not be with the family in person; however, she visited them by long distance telephone Tuesday night.

Major Cash and his family left last night for San Antonio on a business trip before reporting back to Washington.

High Goal Set by Women at the Red Cross Room

Women who have been and are working in and for the Canyon Red Cross Workroom have set a high goal for other units.

During the last six months of 1943 this unit received 1567 hours credit, completed 126 knitted garments and had 252 sewed items accepted. In addition to this, 50 hours credit was made for the sun-room project in the Red Cross Hospital, Amarillo Air Base.

The 1944 record promises to exceed the 1943 one. The January speed is sustained. 655 1/2 hours credit, 4 boxes packed and mailed, 35 knitted garments completed, 330 sewed items and hospital work all done in January is no mean achievement.

Those in charge of the workroom are making an appeal for help in making kit bags, doing hand work, and finishing the hospital quota. All the present knitting quota is finished.

Remember some of our Canyon boys in far away battle lines have seen kits packed by Randall County Unit. Respond to this call for help and you might help your loved one.

ALBERS AT PERIN FIELD
Continuing his combat training as a student pilot of the Army Air Forces, Aviation Cadet John E. Albers, son of Emil H. Albers, Route 2, Canyon, has arrived at the Perin Training Command basic school for nine weeks' instruction. Here Cadet Albers will fly a 450-horsepower plane that has the handling characteristics of military combat craft.

Misses Helen Miller and Marjorie Kemberton spent Sunday in Amarillo visiting with Miss Miller's grandmother, Mrs. Coy Dunlap.

Erma Mae Sutton Joins WACs; Will Report in Few Days

Miss Erma Mae Sutton, daughter of Mr. and Mrs. Charles Sutton of Happy, is one of the newest recruits from this vicinity in the Woman's Army Corps.

Miss Sutton at present is employed in the office of the Morrow-Thomas Hardware Co. in Amarillo. She was sworn in at district headquarters in Lubbock last week and will leave for basic training at Camp Ogilthorpe, Ga., March 6.

Because of Miss Sutton's splendid business experience she will be classified in the administration branch of the WAC and will serve at an air base within the continental United States.

Miss Sutton is not the only representative of the Sutton family enlisted in the war effort. A brother, Sgt. Charlie C. Sutton, who has been in the service 17 months, won his wings and good conduct medal in November at the Dodge City Army Air Base where he is an airplane mechanic. Mrs. Charlie Sutton is employed at the Dodge City Air Base also.

A son-in-law of the Suttons, J. D. Poston of Torrance, Calif., is a chipper foreman-instructor at California Shipbuilding Corporation's plant at Terminal Island. Mr. Poston recently won a \$25 War Bond as winner of a suggestion or idea contest staged at the plant.

Another son-in-law, Private John R. Pool, husband of Mrs. Martha Sutton Pool, secretary in Thompson Hardware Co., Canyon, is in a hospital at Camp White, Oregon. Pvt. Pool has been in the infantry eight months.

Scouts Gather Two Tons Old Paper in Drive This Week

Boy Scouts collected more than two tons of old newspapers and magazines Saturday and Monday afternoons. Chas. Duval, Scout Master, was in charge of the boys as they worked in collecting the paper.

While the Scouts receive only 40 cents per hundred for paper delivered at Amarillo, the boys have no expense in collecting the paper, and the K. Truck Line delivers the paper to Amarillo for the Scouts free of charge. In this manner the Scouts are able to make a little money on old paper.

The paper must be delivered tied in uniform bundles so as to be easily handled for carlot shipment.

STORK SPECIAL
Phyllis Cherry Pope is the new baby daughter of Mr. and Mrs. D. C. Pope, born February 22, weighing seven pounds and three ounces.

Mr. and Mrs. T. S. Maxwell are in Dallas this week attending the Gift Show.

30 Men Accepted Soon In Service

Navy Takes Large Number of Men; Men Being Named For March Call

Thirty-seven men went to Lubbock Thursday for their physical examinations. Others were transferred to other boards. Of the 37 men, 30 were accepted for military service.

Twelve men will be sent to Ft. Sill on March 17 to enter the army, while 13 will report to Lubbock on the morning of March 18 for service in the navy.

Those accepted in the navy were: Billy Horton Mickle, Ernest Frederick Probst, Clarence Edwin Lundry, Robert Ray Hardaway, Charles Ernest Head, Jr., Lawrence Bernard Beckman, Robert William Foster, James William Sutton, Hubert LeRoy McEntire, Charles Edward Gerald, Thomas Rabb Harrison, Lee William McLaury, Leonard Bertram Jackson, Thomas Henry Foster, Claude Benton Harrison.

Those accepted for the army were: Francis Rudolph Friemel, Alvin Oscar Friemel, O. J. Roberts, Charles Lloyd Buchanan, Alfred Earl Spencer, Ralph Leslie Giltner, Eugene Simpson Bonds, Wesley Young Speight, Jack Hand, Aloysius Friemel, Herman Clyde Robertson, Presley Grundy Fowler, Leslie Edison Lisle, Roy Buie Kennedy.

Those rejected were: Clayton Stewart Watkins, Jr., William Leander Campbell, John Clarence McKaughan, Gordon Carroll Collier, Bee Andrew Moore, Carl Clarence Rogers, J. W. Dennis.

The local board is meeting today and will send notices to 59 men to go to Lubbock on March 19 to take their physical examinations. The original call was for 39 men, which was increased last week 50% for the month.

Class B Basketball Tournament to Be Held This Week

February 25-26, the class B Regional Basketball Tournament for 1944 will be held on the campus of W. T.

On Friday at 3:00 p. m. games are scheduled between Bye and Abernathy and Bye and Carey.

Starting at 3:00 p. m. Friday, games are scheduled between twelve class B teams. They are Bye, Abernathy, Carey, Sundown, Ropesville, New Deal, Jayton, Stratford, Higgins, Witharrel, Klondike, and Goodnight.

Ralph Higdon arrived Wednesday from Long Beach, Calif., called by the sudden death of his mother, Mrs. C. A. Higdon. He arrived too late for the funeral, which was held Monday.

Greek Guerrillas

HIDING IN THE CRAGS and ravines of the island of Crete, Greek guerrillas, augmented by small bands of Australian, British and New Zealanders, have carried on an incessant fight against the Germans since their country fell to the invaders in 1941. This is the first picture of these men to reach the United States. It shows them wearing the traditional headdress and boots of the Island fighters.

Demo Fund Short By Half When the Report Was Made

Randall county Democrats contributed \$50 to the National Democratic Campaign Fund. A check for this amount was forwarded yesterday to the State Treasurer, together with the names of the donors.

There was a vast difference in the response this year as compared to 1940 when President Roosevelt was running for a 3rd term. At that time the county quota was \$344, and 165 persons made free-will contributions to the fund.

In 1944, with the likelihood that the President is seeking a 4th term, only seven persons made contributions. One check was for \$20; another for \$10; three for \$5 each; two for \$2.50 each.

Comments of donors in other campaigns were significant:

Business man: Let the labor unions pay the bill—they are running Roosevelt.

Farmer: Roosevelt's administration has already collected enough from men.

Professional man: Why collect money for a 4th term? We don't need a dictator.

Teacher: I am one of the so-called white collared workers who has not received any increase in salary in spite of the great increase in living.

Farmer: When you start collecting for the Republican campaign fund, see me.

Farmer: The federal office holders will pay the bill for Roosevelt's 4th term campaign—or else.

And so it is that the interest in politics lags in Randall county.

District Meet of Scout Committees Here on Friday

The district committee meeting of the Boy Scouts met in the city hall at 7:00 o'clock, February 18. Those who attended were: Scout executive, W. J. Hiatt of Amarillo; district executive, W. M. Teague of Dalhart; district chairman of Randall County, Hosea Foster; finance chairman, Dr. Lee Johnson, reported that \$760 was raised in the recent finance drive; \$350 was paid into the council treasury. Leadership training chairman, Levi Cole reported the fundamental training course in boy scout work which was presented in two joint meetings of the Rotary and Lions clubs. Member at large of council executive board, Dr. Harris M. Cook, and organization extension chairman, M. E. Cantrell, reported briefly that the district now has five scout units with a total enrollment of 128 scouts and cubs. The report of the nominating committee was given by J. A. McDonald. Newly elected officers are: District Chairman, C. R. Burrow and vice-chairman, T. A. Fore of Happy.

W. J. Hiatt briefly discussed scouting in 1944 by presenting Region Nine Silver Jubilee program. The meeting was adjourned by the retiring chairman, Hosea Foster.

Youth Problem to Be Discussed at Friday Meeting

Mrs. Fred De Coster, who works with youth problems in Amarillo, will speak on Juvenile Delinquency at 3 o'clock tomorrow afternoon in the Thompson Club Room. Members of the Edgetown Home Demonstration Club who are sponsoring this meeting extend an invitation to all interested in this vital question to attend the address.

Mrs. O. E. Luster Died Saturday Nite

Mrs. Zelma Pauline Luster, 21, died Saturday night. The family has lived here for 3 months. Mr. Luster being employed on the Ross Craig farm south of Canyon.

Surviving is the husband, O. E. Luster; a son, Jesse Thomas, 8 days old, and a daughter, Ruth Irene, 20 months old. A brother, Troy Hartzog, lives here.

The body was taken to Memphis for interment.

SPOKE AT DUMAS

Dr. S. H. Condon and Dr. Lee Johnson attended a meeting at Dumas Monday night at which representative citizens discussed plans for post-war industrial developments. They talked at a banquet which was attended by many local citizens.

MARRIAGE LICENSE

Jeff Townsend and Miss Mary E. Critzer, Feb. 19.

Miss Kathleen Carr of Amarillo spent last week in Canyon visiting her mother.

J. C. Fite of Ft. Worth is visiting in the home of his mother, Mrs. Early Davis this week.

This year, with service flags in windows of nearly every home, Red Cross will mean so much more to Americans. As depicted in this reproduction of a 1944 Red Cross War Fund poster, many windows also will display the symbol of participation in the cause of Mercy and Humanity—the Red Cross.

Gardening Activities For Each Month Of the Year Given in Outline

The winds are still a little chill, but it isn't too early even in the Panhandle, to begin gardening. In fact, many successful gardeners begin activities in January and each month contributes its items toward the year's gardening program. This is a most interesting and systematic method of producing the family's food supply.

As is true in any well-executed project, much of gardening must be done in prospect. So in January the gardener decides upon definite objectives, to be determined primarily by the needs of his family. He checks past results and assembles all available bulletins, clippings, etc.

In February he plans his planting, surveying and apportioning his space. He locates the beds, determines the number and plan for the rows. (East-West rows are considered best for the Panhandle.) The seed supply is carefully checked.

With March actual work begins. Spring plowing or 4 inch spading is done. Seeds are separated and additional seeds bought. Tomatoes, peppers, and cabbage are planted in cold frames. March is also the proper time for outdoor planting of some early vegetables as English peas, onions, carrots, radishes and beets.

In April the space for immediate planting is leveled, raked off and the following vegetables planted: in rows: chard, mustard, corn, spinach and okra. Squash is planted in hills.

Note: Rows, 2 feet apart; hills, 3 feet apart; plants, 6, 8, 12, and 15 inches apart.

Additional planting is done in May: okra, squash, beans, pumpkins, cantaloupes, cucumbers, black-eyed peas, and sweet potatoes. Grass-seeder poisoning should be put off in anticipation of one of the gardener's worst enemies.

Cultivation begins in June. The plants are thinned and tomatoes are succored. Watering is done once a week. The top of ground is raked to break crust and to conserve moisture. Hoeing is done weekly during growing period. Plants should be "de-bugged" daily. Some of the earlier vegetables are harvested in June, such as onions, greens, and radishes.

Through July, cultivation, watering and harvesting are continued. This plan of harvesting is recommended: Cook the day gathered; can the day gathered; dry, sell, and share. The Fall garden, consisting of beans, carrots, and turnips, is planted about the 15th of the month.

(Continued on page five)

Miss Kathleen Carr of Amarillo spent last week in Canyon visiting her mother.

J. C. Fite of Ft. Worth is visiting in the home of his mother, Mrs. Early Davis this week.

Quota Increased to Meet Demands

T. V. Reeves Announced That Some Committees Are to Solicit Red Cross Funds

Randall County's Annual Red Cross Fund Campaign will begin Wednesday, March first and the drive will continue throughout the month. The quota for this year is \$6900. It is hoped that the quota can be raised and the drive closed early in the month.

Because of the rush of regular work on farms and in the town, and the necessity to save gasoline and tires, neighborhood chairmen who have served in years past are being asked to head the collections in their communities again, according to T. V. Reeves, County Chairman.

Those who worked last year were E. C. Robinson, Jowell; Ross Craig, Ralph; Emil Schaeffer, Wesley; W. E. Bennett, Stone-Bennett; Wilson Campbell, Costley; George Mason, Highland; Louis Weick, Umbarger. Each will ask his neighbors to help in any way that will make collections prompt and easier. No general meeting of workers will be held, since all are experienced. T. V. Reeves will be at the City Hall throughout the month to help the workers.

In Canyon, contributions can be made at the First National Bank, or at the City Hall. Citizens of Canyon are asked to make their payments at one of these places so that a house to house canvass of the town will not be necessary.

Contributors will be furnished window stickers, metal Red Cross lapel buttons and receipts. No worker on the War Fund Drive or in the regular work of the Red Cross in Randall County receives any pay for his services. The County Chairman stated Monday that the Red Cross is greatly indebted to all those people who use their cars, their places of business, their spare time and their machines in doing the work of the chapter. Thousands of hours have been given this year.

The Board of Directors of the local chapter is composed of W. J. Wooten, A. K. Knott, Lonnie Byars, W. T. Oliver and W. C. Black. C. L. Thompson is secretary and Levi Cole is treasurer.

Mrs. C. A. Higdon Died Suddenly at Home Saturday

Mrs. Rosa Mae Higdon, 59, died Saturday evening at 8:30 o'clock at the family home 411 Seventh Ave. Her death was a shock to the family, as she had been up only a short time before her death.

The family has been residents of Canyon for 27 years.

The funeral service was held Monday afternoon at 4 o'clock at the Griggs - Thompson Funeral Home in charge of Mrs. Fannie D. Tyson of Amarillo. Mrs. Higdon had been active in the Christian Science Church for many years.

Interment followed in Dreamland Cemetery directed by the Funeral Home. Pall bearers were J. W. Shook, A. B. Holt, T. A. Black, Ed Weeks, K. E. Frieze, Levi Cole.

Surviving are the husband, C. A. Higdon; four sons, Marion Higdon of Canyon, Otis Higdon of Amarillo, Ralph Higdon of Long Beach, Calif., and Lt. Sherman Higdon of San Angelo; nine grandchildren.

Three brothers, E. F. Allen of Hale Center, Lee Allen of Quemado, Jesse Allen of Hamilton; four sisters, Mrs. J. J. Hicks of Amarillo, Mrs. Ruby Miller of Hamilton, Mrs. L. O. Wood of Hamilton, Mrs. Maggie Lawrence of Madison, Wis.

Dahlia Society Will Meet Monday Night

A meeting will be held of the Dahlia Society next Monday night at 7:30 o'clock at the Thompson Club Room.

Levi Cole is president of the Society.

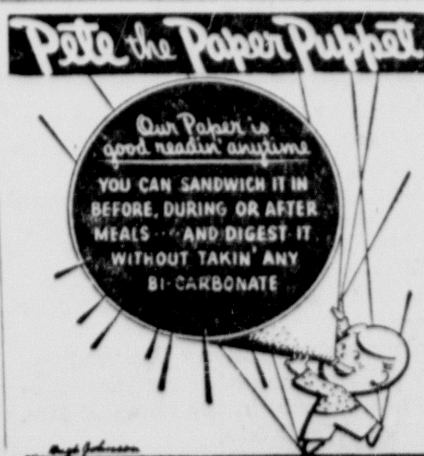

Plans for the year will be discussed at this meeting, to which all members are invited.

SPOKE AT WHITE DEERE

Frank R. Phillips was in White Deer Sunday to speak at the laymen's meeting at the Methodist Church. Monday night he talked at a community meeting held at the high school auditorium.

Mr. Phillips is manager of the Methodist Camp Ground southeast of Canyon and is devoting much time to its development in the future.

Betty Guthrie, who has been working in Lubbock for some time, spent the week end in Canyon while enroute to Paso Robles, Calif.

Placed as an Outstanding Weekly Newspaper in "Editing The Day's News" in 1943.

An ardent New Dealer challenges the statement of *The News* that 20 million people in the United States are worse off financially because of the war than they were before. We hear so much about the wonderful prosperity of the nation. He points to the fact that never in the history of the nation has there been such big bank accounts. He correctly says that this money belongs to the people. But his assertion is wrong when he says that this pile of money, the greatest in the nation's history, represents wealth. This pile of money simply shows the fact that people cannot buy goods which they need, and they are wisely holding in reserve this money until such a day as these goods will be available. Canyon needs many new homes, but people cannot build, because of government restrictions; Canyon's homes need many repairs, but these repairs are not to be had; hundreds of new stoves, bath tubs, radios and such every day home equipment are needed in Canyon, but they are not to be had; the wise citizen is saving money against the day when these will be available. Multiply the condition in Canyon by the number of towns in the United States, and you will see what the people of the nation need today. There is not a farm in Randall county which is not running machinery on borrowed time. Very few farmers were able to foresee the war coming, and consequently practically every farmer needs new trucks, tractors and other farm machinery. The wise ones are paying off their debts and saving up a reserve to buy farm machinery when it is available. New Dealers in Washington look at this reserve as wealth and would like to take this surplus away from our citizens. They think it is creating too much of a buying power and therefore prices will run sky-high as citizens bid for automobiles and other every day needs after the war. This is a good argument for continuation of rationing after the war—and consequently New Dealers are looking down the line to hold their jobs as long as possible after the war. As we see it, the only way these government reformers shall be ousted and the people allowed to return to normal lives, free from governmental regulation will be a change in administration in November.

Vice-President Wallace has finished a swing through the nation and reports that the greatest opposition to the 4th term centers in the middle west. If the Vice-President will recall, he visited Dallas several months ago, and it was with difficulty that he could find an organization which would sponsor his talk. The leaders of the Southwest were all conveniently engaged when he came bearing the banner of the New Deal—which the President recommends should be dropped. Just why is Wallace out campaigning? Has the President sent him out to feel the pulse of the people? Or is Henry merely campaigning for a 4th term so he will be assured of a future job? The President could stop him if he chose, but so far no one has come forth with the suggestion that Wallace is running for re-election in spite of any adverse attitude of the President.

Perhaps we are not going to need the millions of new cars which the people of America plan to buy after the war. The war is wasting billions of gasoline, largely coming from American sources. Uncle Sam is providing most of this gasoline, and future generations will have to walk, or discover new sources of fuel for the future cars of America. The more that the destructiveness of this war is revealed, the more our people should demand that a permanent peace must be written at its close.

The 4th War Loan Drive went over with great success. Yet there was less flurry and fanfare in the smaller communities of the nation. The big movie bands, and the various kind of freak shows and performances were unnecessary to put the drive over in the smaller communities. America is great because of the middle classes which inhabit the smaller communities.

Pleasantview

Mr. and Mrs. A. J. Smyth and family visited in Hart and Plainview over the week end.
Mr. and Mrs. Frank Jones of New York City visited in the Morris Abbott home over the week end.
Clifford Burtz spent Friday night with Ervin Davis.
Mr. and Mrs. Henry Grindstaff of Happy visited in the Roy Wall home Sunday.
Mrs. Earl Burtz, Mrs. James Jennings and Sally called on Mrs. John Jennings Monday.
Mrs. Carl Helzer went to Borger Sunday.
Mr. and Mrs. Earl Burtz and Clifford visited in the E. C. Robertson home Thursday night.
Mr. and Mrs. J. W. Spencer, Jim and Helen visited Mr. and Mrs. C. H. Spencer and family of Pampa Sunday.
Mr. and Mrs. Jim Gandy and family called in the Joe Currie home Friday night.
Mrs. John Jennings is on the sick list this week.
Mary Alice Browning spent Friday night with Helen Spencer.
Bennie Mack Abbott spent Friday night with Golden and Dwain Currie.
Mr. and Mrs. Earl Burtz and

Clifford called in the J. W. Spencer home Sunday night.
Norma Jo Currie spent Sunday night with Alice and Ruth Prichard.
Frances Gooch, Ann Crawford, Ruth, Alice and Louise Prichard visited Norma Jo Currie Sunday.

Palo Duro News

Visitors in the Henry Miller home Sunday were Misses Martha and Clara Miller of Amarillo Field, and Alan Albers.
Mr. and Mrs. Herman Kuhlman and Jimmy visited in the Fred Schuette home Sunday. Other visitors were Marvin and Bruce Albers.
Miss Phyllis Albers accompanied friends to Pampa Sunday.
Miss Martha Hannah Hammond spent Wednesday night with Barbara Michael.
Norris and Clyde Root spent several days last week with Meade Michael.
Miss Herta Meyer of Skellytown spent the week end with her mother, Mrs. Louise Meyer.
Miss Phyllis Albers spent Tuesday afternoon visiting in the Miller home.
A number of ladies spent Wednesday afternoon quilting for the Lutheran Ladies Aid in the home of Mrs. Pauline Wendelkin.

Randall county will soon have a county-wide board which may act as a county planning board, or a Board of County Development. The 18 members of the board have not been named, and the first meeting will not be held until March. Every citizen of Randall county must realize that the members of this board will have a tremendous opportunity and responsibility as it organizes for future work. All citizens are looking to the uncertain future. We have seen remarkable changes take place in the lives of small communities during the past 25 years. We are told that greater changes will take place after this war is over and the world tries to grope back to a period of sanity and reconstruction. The past two years certainly have seen enough of destruction. All citizens will congratulate members of the new board, when the personnel is announced. And right now, before anyone knows whom the City Commission and the County Commissioners will appoint for this post, is a good time for each and every citizen of Randall county to resolve that he will back the new board in its endeavor to make Randall county a better place in which to live and to rear his family.

The government has appealed the case of paying for land on which Pantex is built. Two years ago farmers were ousted from their homes with only a few days' notice. Up to this good moment these land owners have never received a cent for their land. The total amount involved is only a few hundred thousand dollars. This money means much to these farmers, many of whom have not been able to relocate themselves when their life savings were tied up without warning. Every citizen with a thumbful of sense knows that the government is squandering millions of dollars in many enterprises which are of questionable value to the war. Yet these land owners must wait for further court procedure simply to satisfy the whims of the Justice Department. People lose confidence in their government when the government fails to be honest with the people. In the case of Pantex, there certainly smacks an element of down-right dishonesty on the part of those charged with the responsibility of paying a reasonable price for property from which the owners were evicted without their consent.

The veto of the subsidy bill by the President clearly places the responsibility of future inflation on the back of the administration. Congress believes that much of this inflation talk is premature, and that subsidies will only add to the cost of living, rather than impede it. The President thinks differently. The President likes to talk in terms of billions of dollars, and throwing this vast amount of money to the winds bothers him not one bit. Perhaps it will take several months to determine just how subsidies will work out. Perhaps Congress will find another way to stop this spending, in spite of the present victory of the administration in continuing its spending policy.

Another Red Cross drive starts in March. Randall county has always raised its Red Cross quota in record time, and will do so again. The increased quota will be used for millions of men in service and for returning veterans who will need help. County Chairman T. V. Reeves has called upon the same committees to again carry on this campaign. Those in charge have done a fine job of soliciting in the past drive, and will be counted upon for the March call. All citizens must be ready to meet the call of the Red Cross when this drive starts.

The Baruch report on post-war conditions holds out hopes for little business in small communities. There are too many in Washington today who look with favor only upon big business in large industrial centers. This class is well organized, with powerful lobby influence. Small communities, like Canyon, cannot afford to spend thousands of dollars annually on lobbying in Washington. But the safety of America depends upon the safety of Canyon and thousands of towns just like Canyon.

Finland is trying to get out of the war. But Hitler holds the axe, and points to what happened to Italy when Mussolini decided that it was time to stop. Both Italy and Finland deliberately joined Hitler. While we may feel sorry for the people of these countries who will suffer as a result of the war, they are responsible for the type of government and the kind of leadership which has gotten them in their present fix.

Stalin is said to have hit one of his generals over the head with a bottle at the recent conference among Stalin, Roosevelt and Churchill. The old boy was talking too long. Gosh, how we have wished for a bottle and a little nerve upon many occasions while trying to listen to a speech.

The War Department has played down the fact that one transport was sunk with a thousand of our men lost. This is depressing news, but no more than may be expected in an insane, idiotic war. As a matter of cold, hard facts, if we have lost only one transport so far in the war, it is a miracle and a great tribute to the efficiency of our navy.

About five billion meteors strike our earth's atmosphere every day. Most of these are small and are burned to a gas by the friction of the air.

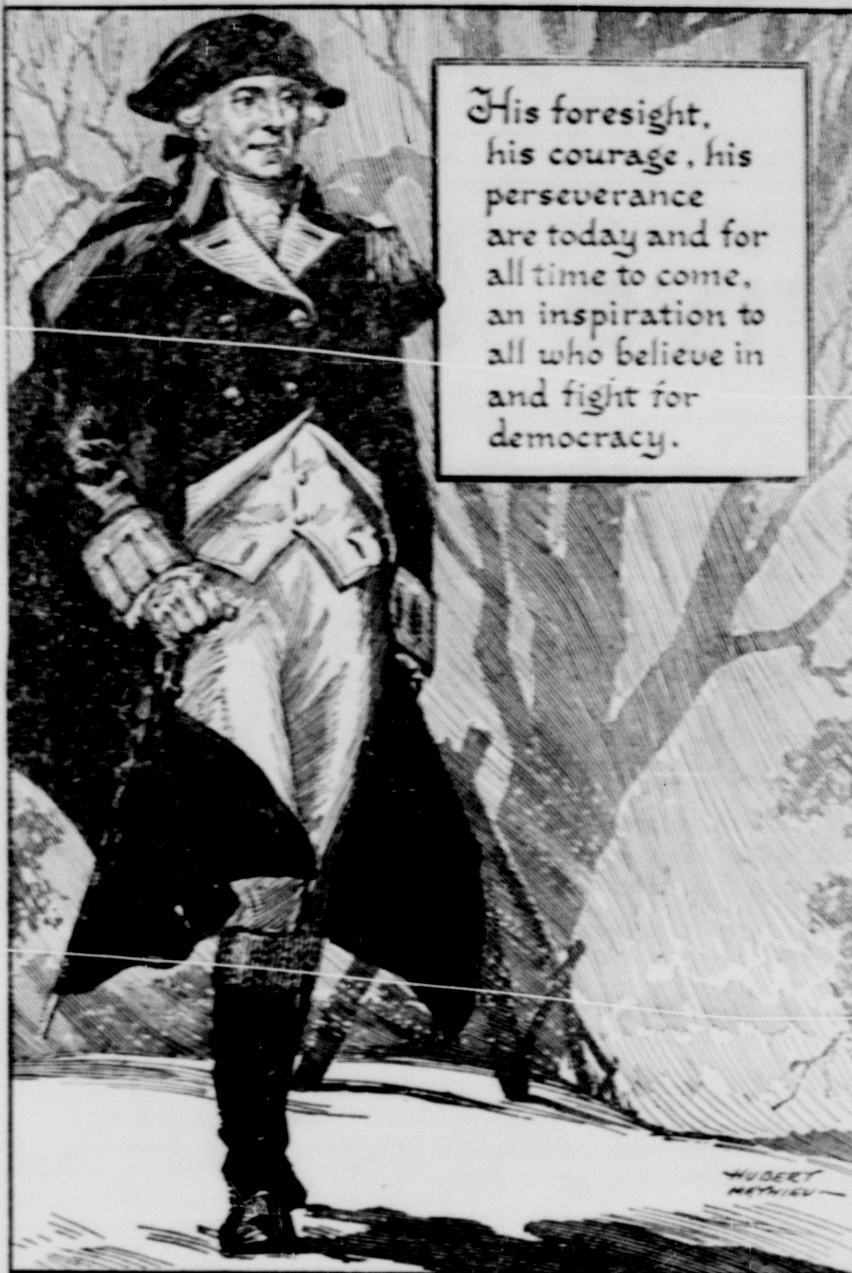

The stroke of a whale's tail, which can smash even a large boat, is the most powerful blow that can be struck by an animal.

George Washington's middle name was Grieg.

Be Quick To Treat Bronchitis

Chronic bronchitis may develop if your cough, chest cold, or acute bronchitis is not treated and you cannot afford to take a chance with any medicine less potent than Creomulsion which goes right to the seat of the trouble to help loosen and expel germ laden phlegm and aid nature to soothe and heal raw, tender, inflamed bronchial mucous membranes. Creomulsion blends beechwood creosote by special process with other time tested medicines for coughs. It contains no narcotics. No matter how many medicines you have tried, tell your druggist to sell you a bottle of Creomulsion with the understanding you must like the way it quickly allays the cough, permitting rest and sleep, or you are to have your money back. (Adv.)

OUR DEMOCRACY—by Mat

His foresight, his courage, his perseverance are today and for all time to come, an inspiration to all who believe in and fight for democracy.

GEORGE WASHINGTON.
FEBRUARY 22, 1732 - DECEMBER 17, 1799.

When your columnist attended school, many of us went to the weekly meetings of the Philomathean Debating Society. A favorite subject was:

"If a squirrel is one side of a tree and a hunter is on the other side and the hunter walks clear around the tree but the squirrel keeps going around, too, so that he keeps the tree between him and the hunter, has the hunter gone around the squirrel?"

Those who took the affirmative side contended, "Since the hunter went around the tree, he went around everything that was on the tree; the squirrel was on the tree; therefore, the hunter went around the squirrel."

The negative side asserted, "Since the squirrel always kept the tree between him and the hunter, then the squirrel must have always had his face toward the hunter and, therefore, the hunter never got behind the squirrel, and how can you

go around anything unless you have been behind it and on both sides of it?"

The world is a comedy to those that think; a tragedy to those that feel.—Walpole.

Texas is a land of vast and vaulted skies; of free winds, tremendous plains, tumbled hills and sparkling streams; of rich fields, laughing children, honest toilers and noble wives and mothers.

Ours is the only State that won her own independence, took her place among the nations of earth, maintaining her own navy, sending and receiving ambassadors and, after holding that proud position for ten years, entered the Union and added the brightest star of all to Old Glory—the one that grandly glitters for Texas.

Ours is the only State with an Alamo and a San Jacinto. And her glorious traditions are being upheld and added to every day, wherever there is a son of Texas on duty—on land or sea or in the sky.

The rumble seat of an automobile gets its name from a similar seat in horse-drawn carriages which made a rumbling noise as they rolled over rough roads.

Two presidents, Thomas Jefferson and John Adams, both of whom signed the Declaration of Independence, died on July 4.

More than one million miles of territory in Australia is reported as uninhabitable.

AND FARM FOR VICTORY!

• Sure, it's getting tough. It's going to be tougher yet. But the farmer who's going to come through—no matter how short we get on men and machines—is the farmer who prepares now by repairing all his farm equipment.

That's what this "Pledged to Victory" card means. We'll give it to you when you make your plans to put your machines in A-1 shape. When you display it you're telling the world that you mean business when it comes to food for victory.

Our shop is loaded now. Make a date to have your service work done and we'll deliver on time. Drop in today.

Your McCormick-Deering dealer...

THOMPSON'S

HERE ARE THE FACTS STRAIGHT FROM THE SHOULDER

Yes, The Rubber Supply Crisis Is Over --- The Tire Shortage --- NO!

The present tire situation demands the immediate co-operation of every car owner in America who wishes to continue driving.

Unfounded rumors—that the tire shortage is over—that the war, too, may soon end—have led many to believe there is no longer need for conserving tires—that tires will soon be plentiful.

This is far from the truth. It's true that volume production of synthetic rubber has ended the rubber shortage—but the tire shortage is definitely here and will continue for months to come.

"Why should this be," you ask, "with rubber now available?" I'll tell you.

When Pearl Harbor was attacked, America—world's largest user of rubber, then entering the war—faced a frightening situation. For 90% to 95% of all crude rubber is grown in the British and Dutch possessions in the Far East, now held by Japs.

Without rubber no plane, tank, ship or truck could move—our people would be unable to get to work. This crisis had to be licked quickly—and within two years.

It was an "impossible" assignment. But in two years' time a production miracle was performed. Huge synthetic rubber plants literally sprang up and into production over night, and hundreds of thousands of tons of Government synthetic rubber are now being produced. It was this news that led so many to believe that the tire headache was over.

But here's what people don't realize.

The difficulty in the manufacture of tires is not the supply of synthetic rubber. It's a shortage of manpower—of rayon and cotton cords—of tire building equipment and just plain "time."

What Can You Do About Is!

• Do no unnecessary driving even if your tires are good. Always observe the rules of careful driving. Don't exceed 35 miles per hour. (The life of a tire at 35 m. p. h. is 50% longer than at 45.)

• Check tires at least weekly to see that they have the right air pressures. If one tire goes down faster than others, something is wrong. Have it inspected.

• There's one right time for recapping. Have your tires checked for recapping when they begin to get smooth.

• Have your tires inspected regularly by expert tire men.

• If you are driving synthetic rubber tires—be even more cautious. They can't take the punishment natural rubber tires can. However, if properly inflated, properly loaded, not abused, and driven within Government speed limits—they will give you very satisfactory mileage.

How We Can Help

Our business is tires. Our job is to help you get the longest possible mileage from your tires. We do this many ways.

1. BY EXPERT INSPECTIONS: Through regular inspections, we find and correct tire injuries before they can become serious and ruin your tires—determine the right time for recapping.
2. BY HIGH QUALITY REPAIRS AND RECAPS. Inferior quality merely postpones trouble. Our men are expert—our equipment and materials the best.
3. BY HANDLING THE BEST TIRES. Firestone, now as before the war, lead the field.

Why not see us now—have us look over your tires—advise you if anything needs correction, if any are ready for recapping and, if need be—do the job as it should be done.

DON'T FORGET—YOU'VE GOT A DATE! Here are the next tire inspection deadlines: "C" Drivers, February 29; "B" Drivers, February 29; "A" Drivers, March 31.

When you get a Tire Certificate—or need tire service of any kind, remember that we feature

V-NEWS

"TOKENS"

Sunday, February 27, 1944, a new plan for the rationing of processed foods, and meats, fats, and oils will become effective.

This plan may be summarized as follows: 1. Each stamp will have a value of ten points. 2. Tokens will be used for change. Each token will be one point in value, and there will be no expiration date for tokens. Red tokens are to be given as change for meat, fat and oil stamps. Blue tokens are to be given as change for the processed food stamps. 3. Lastly, all stamps will have a longer time of validity, probably for a period of about 12 weeks. There will be a set schedule for expiration dates.

What are the reasons for this change? The above plan is a simplified one. Dealers will have to separate stamps and tokens for color only. The number of stamps they must handle will be reduced by 60%. Last minute rushes before expiration dates will be avoided. It will be remembered that Book 4 is to last for two years.

Africa Missionary To Speak At Baptist Church

Miss Lena Lair, missionary of Southern Baptists of Africa, home on furlough, will speak at the First Baptist Church in Canyon, Sunday, Feb. 27th, at the morning preaching hour. Miss Lair's home is in Anna, Texas, and she is visiting a relative, Mrs. John Davis, in Canyon. Pastor Roy L. Johnson states that Miss Lair is the first of three missionaries from different parts of the world who will be heard at the local church within the next six weeks. Friends are welcome to these special meetings.

Whenever the value of the package exceeds the value of the contents, that's glamor.

The depth of a standard newspaper page is about 24 inches.

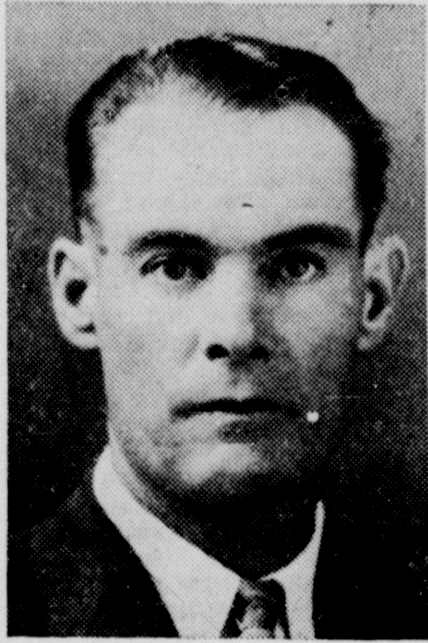

Save Your Soles!

When your Soles give way, your Shoes will soon be gone.

By putting on new half soles, new heels and a fresh shine your shoes will last much longer.

POPE'S SHOE SHOP

Ex-Professor Now Doing Research Work

SPENCER WHIPPO

Spencer Whippo, an instructor at West Texas State College in 1943, was on the campus last week. Mr. Whippo is now doing research work for a chemical firm, to determine causes of wheat poison. Sufficient work has been done to indicate that the malady causing death to thousands of West Texas cattle is probably brought about by an unbalanced mineral condition in the bodies of the cattle.

Until recently, many have thought that phosphorus and lime were important; however, those who have carried out research with the work feel that it can only be solved by setting up field experiments on Panhandle farms. By trying out different minerals on the cattle grazing wheat, actual results of more value will be reached.

Professor Whippo has supervised such experiments in West Texas, Oklahoma and Kansas.

Professor Frank R. Phillips, head of the agriculture department, states, "Professor Whippo is undoubtedly one of the best trained men on soils and grasses in the Southwest, having majored in agronomy at West Texas State College, having received his master's degree from Texas Tech, and having done considerable work toward his doctor's degree at Texas A. & M."

Graduation Exercises Held For Class 13 Friday Evening

Graduating exercises for Class 13 of the 350th College Training Detachment stationed on the campus were held in the Education Auditorium, Friday, February 18, at 7:30 p. m.

Dean R. P. Jarrett delivered the address, and he and Dr. A. M. Meyer presented the certificates of graduation. The invocation was given by Robert W. Jones. Presentation of military awards was done by Captain Paul L. Boutz. Physical Training awards were given by Coach W. A. Miller, achievement awards by Dr. A. M. Meyer, and progress awards by Dr. R. P. Jarrett.

Marked plainly with red crosses on white backgrounds is the American field hospital in the Nettuno beachhead area below Rome. This is the spot the Germans shelled and bombed, killing several nurses and wounded soldiers.

Fairview Breezes

We were glad to have Bro. James and family with us Sunday for two excellent sermons. He will go to Lubbock for his physical Saturday and may not be able to be with us again. Our good wishes and prayers go with him wherever he goes.

Mr. and Mrs. Johnny Boydston and children visited Sunday in the G. E. Wesley home.

Misses Lavinia Amerson and Paula Edwards from Wayland visited Saturday night in the J. W. Wesley home.

Sunday visitors in the J. W. Wesley home were: Mr. and Mrs. W. E. Schaeffer and daughters, Frank Rogers, Delbert Wesley, Lavinia Amerson and Paula Edwards.

Mr. and Mrs. J. W. Wesley honored Miss Vesta Amerson with a surprise birthday party Saturday night. A large crowd attended. "42" was enjoyed by the adults while the youngsters enjoyed ring games.

S. F. Sharpes had as their guests Sunday Mr. and Mrs. Hollis Shipman and family, Mr. and Mrs. E. M. Wilson and sons, Charles and Darrell.

The Rev. James and family spent Saturday night in the Hollis Shipman home.

Word has been received here of the marriage of Miss Kathleen Folk to K. S. Head of Morton.

Highland News

Wildorado school had its annual Arbor Day program, basket dinner by the community at the school house, and ball game between fathers and sons, on Tuesday of this week.

The Wildorado P. T. A. put on the Founder's Day play at its social meeting last Friday night.

Kathleen Tidwell is home for two weeks vacation from Kansas City, Mo. From here she will go to Dallas to work for the Western Union.

Mr. and Mrs. Kenneth Broadbuss spent several days at the John Broadbuss home last week while Mrs. Broadbuss went to Wichita, Kans.

Mrs. Jack Cage is on the sick list. Lee Mason spent Sunday with Walter Turner McDade to help celebrate Walter's birthday.

Mrs. Elmer Mason and Mrs. Carl Fuqua attended the Installation of officers of the Women's Society of Christian Service at the home of Mrs. Reed last Wednesday.

Bob Fulton, Sidney Sharp and Kathleen Tidwell were guests at the Kenneth Broadbuss home Sunday.

Mr. and Mrs. Joe Allred and Shirley Kay were dinner guests at the Fuqua home last Tuesday evening.

Rev. and Mrs. Arnold were dinner guests at the Turner McDade home Sunday.

Duane Goudy is home on furlough.

Don't forget the meeting of the Highland Farm Bureau at the Highland school Friday night, Feb. 25.

CARD OF THANKS

We wish to extend our thanks to our many friends and neighbors who assisted us at the time of our great bereavement in the death of our wife and mother, with floral offerings and provisions for the family.

PROF. PHILLIPS SPEAKS TO EDGETOWN CLUB

Prof. Frank R. Phillips met with the Edgetown Home Demonstration Club February 11 in the Council Club Rooms. Mr. Phillips talked on "Poultry Housing." Some practical suggestions were: Build a good house, but do not invest too much money as that takes up all the profit. It takes about 35 lbs. of mash and 35 lbs. of grain to feed a hen a year and the average hen lays about 8 dozen eggs a year. Roup is caused more often by a draft through a small hole than a large opening.

Those present were: Mrs. Charles Doebler, Mrs. J. M. Breittling, Mrs. W. T. Davis, Mrs. Henry Cone, Mrs. E. C. Penick, Mrs. W. B. Smith, Mrs. P. L. Walters, Mrs. W. I. Wester, Mrs. Frank R. Phillips, Mrs. J. H. Wright, Mrs. W. L. Rice.

The next meeting will be at 3 p. m., Feb. 25, in the Thompson Club Room. The program will be on Juvenile Delinquency. Mrs. Fred De Coster, who works with youth problems in Amarillo, will be the

guest speaker. The public is urged to attend this meeting.

FRIDAY AFTERNOON CLUB ENTERTAINS HUSBANDS

On February 19 the Friday Afternoon Club entertained their husbands in the home of Mr. and Mrs. T. H. Knighton.

After several games of bridge a salad plate was served to Mr. and Mrs. Bill Black, Mr. and Mrs. Lee Foster, Mr. and Mrs. Guy Harp, Mr. and Mrs. J. W. Klenschmidt, Mr. and Mrs. Dan Saners, Mr. and Mrs. W. L. Smith, Mr. and Mrs. C. L. Thompson, Mrs. R. A. Neblett, Mrs. C. W. Warwick, Mrs. Felix Neff, Mrs. Newton Harrell, Mrs. W. W. Nicklaus and Mr. and Mrs. T. H. Knighton.

Mrs. Bill Smith and children, Jean and Bill, attended the twentieth wedding anniversary celebration of the Otto Skarke in Umbarger Sunday.

Mrs. Frank Caldwell and Mrs. Bruce Caldwell of Amarillo visited Mrs. Bernice Laughery Sunday.

WESLEYAN SERVICE GUILD MET TUESDAY M. E. CHURCH

The Wesleyan Service Guild of the M. E. Church met Tuesday at 7:30 at the church. Vice-president, Mrs. Lee Christine Sanford was in charge of the meeting. Mrs. Joe Winstead lead the devotional. Mrs. Lavert Ament read the lesson on "Faith" from the "Upper Room."

"How We Got Our Bible" was very capably discussed by Mrs. C. W. Foote, Jr. Mrs. C. A. Murray reviewed the previous lessons the class had studied.

Several new members who enrolled in the class were: Miss Olive Schramm, Miss Ruth Ford, Mrs. W. R. Vandergraff, Mrs. Walter E. Baker, Mrs. Conn Isaacs, Mrs. M. S. Downing, Mrs. Milton Morris, Mrs. K. E. Frieze, and Mrs. Geo. Vineyard. Other members present were: Mrs. Lee Christine Sanford, Mrs. W. H. Cornelson, Mrs. Otto Samuelson, Mrs. E. M. Myers, Mrs. Bill Mack Gibson, Mrs. Carl Daebler, Mrs. W. W. Nicklaus, Mrs. C. W. Foote, Jr., Mrs. A. M. Roberts, Mrs. James R. Morgan, Mrs. K. R. Schramm, Mrs. Joe Winstead, Mrs. Lavert Ament, Mrs. Ruth Hill, Mrs. Robert Orton, and Mrs. C. A. Murray.

The meeting was closed by the group singing "Bless Be the Thee That Binds."

CENTERVIEW CLUB MET WITH MRS. DELL ZACHRY

The Centerview Club, which met Friday, Feb. 18, with Mrs. Dell Zachry was called to order by the president. Minutes were read by the secretary. A game was played and the different committees gave reports.

Mrs. Dell Zachry was elected as possible delegate to the district meet to be some time in April in Pampa.

During the round table discussion on Juvenile Delinquency almost every one agreed that to correct, parents must be corrected first.

One new member, Mrs. Fred Bauer, was reported by Mrs. Finis Brazil. Old members present were: Mrs. E. W. Schaeffer, Mrs. Serena Bryan, Mrs. Harney Rogers, Mrs. J. W. Wesley, Mrs. S. P. Sharpes, Mrs. A. E. Wise, Mrs. T. G. Knox, Mrs. Finis Brazil and the hostess.

GREEN HAVEN H. D. CLUB MET ON MONDAY

The Green Haven Home Demonstration Club met Monday afternoon, Feb. 21 in the home of Mrs. Sid Carter. The business meeting was conducted by Mrs. R. T. Norman, in the absence of the president, Mrs. Geo. Ross. Mrs. Bill Burnell, finance chairman, announced that plans were being made for several recreational programs in the near future. The program for the afternoon was on Juvenile Delinquency and a most interesting talk, by Mrs. Grace Hodge, was heard.

Attending were Mrs. Clarence Warren, Mrs. H. Gibbons, Mrs. G. T. Gamblin, guests, and the following members: Mesdames C. S. Watkins, Jr., Jack Carr, C. S. Watkins, Sr., C. W. Purcell, J. C. Arden, Ray Minner, C. O. Mathews, Bill Burrell, Marion Bruce, R. T. Norman, Geo. Pratsman, and Sid Carter.

HIGHLAND CLUB MET WITH MRS. JOHN BROADDUS

Eleven members of the Highland Club met in the home of Mrs. John Broaddus, February 15. As this is a patriotic month the club started its program by singing "America." Then the secretary called the roll and each member answered by telling one thing she had learned about selecting chickens.

The finance budget plan was presented by Mrs. Jack Baker and accepted by the club.

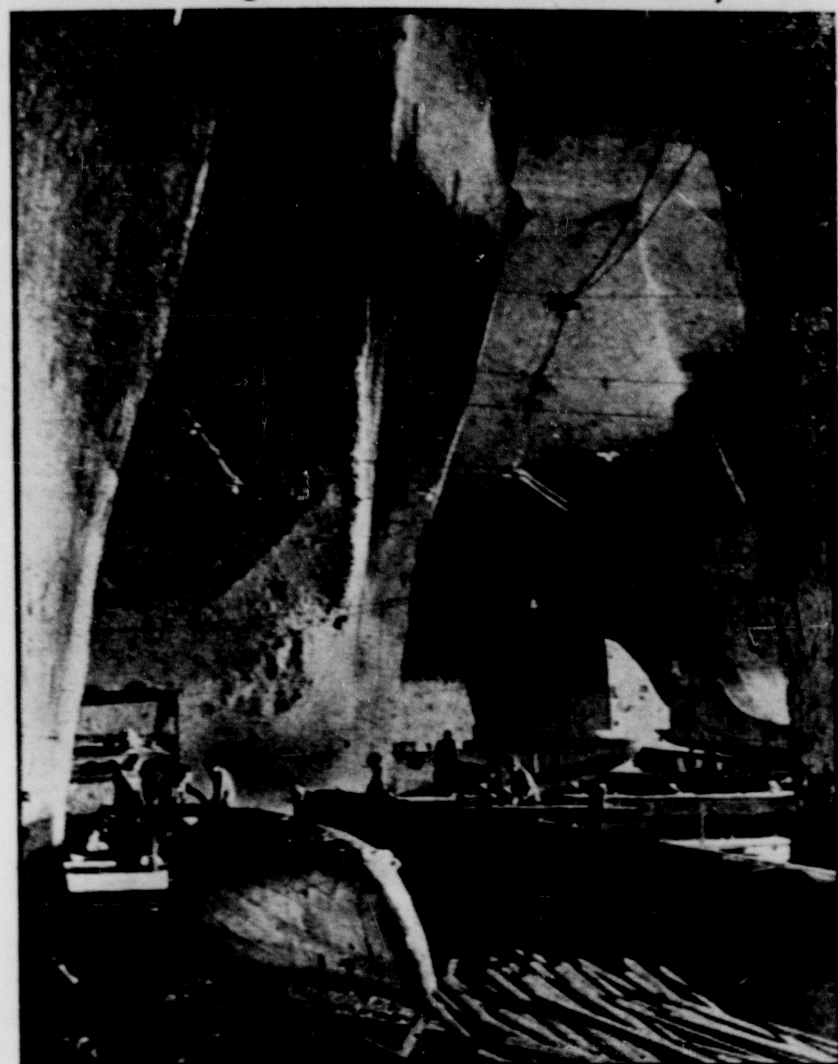

After the business meeting Mrs. Ann Green led several games.

Delicious cake with whipped cream and coffee, with candied hearts as plate favors, were served by the hostess to Mrs. L. E. Mason, and Lee, Mrs. L. J. Fulton, Mrs. Cook, Mrs. Jack Baker, Mrs. Kenneth Broaddus, Mrs. Howard Puqua, Mrs. J. T. Mitchell, Mrs. Critsinger, Mrs. Ed Harp and Diana, and Mrs. A. N. Green.

The next regular meeting will be with Mrs. Jack Baker, March 7.

Mrs. Lucy Mullinax and daughter, Mary, of Beloit, Iowa, are visiting in the P. V. Winstead home. Mrs. Mullinax and Mrs. Winstead were schoolmates.

Underground Aircraft Factory

Here is one of the high-arched underground caverns in the rocky hills which rise in back of Naples. Before the Allies came, Neapolitans used them as aircraft factories—400 worked here—and air raid shelters. The Germans, of course, wrecked them before leaving. In the foreground is an unfinished seaplane pontoon. Tail assemblies can be seen farther back.

Traffic Violations Discussed Tuesday at Lions Luncheon

Sergeant Connor, of the Texas Highway Patrol, spoke to the Lions Club on problems in law enforcement at the luncheon Tuesday.

Sgt. Connor professed extreme concern over the increase in law violations, both traffic and general. These increases come in the face of a present shortage of law enforcement officers of about 50% at the present time.

Traffic crimes have cost three times, in both lives and money, as much as all other forms of crime. In 80% of all traffic accidents the driver is committing a crime.

All accidents, according to Sgt. Connor are caused occurrences. Road and vehicle failures cause about 20% of the accidents. Eighty per cent are caused by human failure.

More people have been killed in traffic accidents in the United States since we entered the war than have been killed in the war. The economic loss in Texas alone is 50 million dollars each year.

In Texas 90% of traffic accidents are due to drunken driving, according to Sgt. Connor.

Some ways in which the situation can be improved were given by Sgt. Connor. Each individual should be prepared to drive, he should be

careful, and he should be courteous. Everyone should follow the Texas slogan, "If you drink, don't drive, if you drive, don't drink."

Drivers should be taught how to drive in the public school system of the United States.

Citizens should demand suitable traffic control legislation. They should demand adequate law enforcement by trained and experienced men. Each person should do his duty as a juror.

Rotarian Lee Johnson passed the cigars to members of the Lions Club in honor of his new daughter.

Miss Lottie Jo Johnson, who is employed with the Douglass Aircraft factory in San Francisco, California, is home for a few days leave of absence, with her parents, Mr. and Mrs. Jim Johnson.

Mrs. W. M. Thompson visited with her parents in Plainview Sunday.

If you need to BUILD UP RED BLOOD!

Try this great blood-iron tonic—Lydia Pinkham's TABLETS—one of the very best home ways to get iron into the blood. Pinkham's Tablets are also famous to relieve symptoms of functional monthly disturbances because of their soothing effect on one of woman's most important organs. Follow label directions. Worth trying.

ROSE WALKER CIRCLE MET TUESDAY

The Rose Walker Circle met Tuesday afternoon with Mrs. C. O. Cooper. "Blessed Be the Name" and "There Is a Name I Love to Hear" were sung by the group. Prayer was led by Mrs. W. A. Black. The devotional was found in the eighth chapter of Romans. Mrs. McCrerey led the prayer.

A brief business session followed after which Mrs. McCrerey led the Bible study.

Delicious cookies and tea were served to Mrs. J. W. McCrerey, Mrs. Baker, Mrs. Bullard, Mrs. I. M. Steen, Mrs. J. C. Dowd, Mrs. J. D. Key, Mrs. W. A. Black, Mrs. L. C. Ruthardt, Mrs. R. E. Gill, Mrs. Anderson, Mrs. Laughery, Mrs. Charles H. Stratton, Mrs. E. B. Anthony, Mrs. G. B. Combs, Mrs. T. T. Palm, and Joy and the hostess.

The meeting closed with prayer by Mrs. Bullard.

CANTRELLS ENTERTAIN THURSDAY DINNER CLUB

On Thursday, February 17, six couples of the Thursday Dinner Club met in the home of Mr. and Mrs. M. E. Cantrell.

Dinner was served buffet style and was eaten from card tables centered with lovely bouquets of snapdragons.

In the bridge games after dinner, Dr. and Mrs. Robert P. Jarrett, Mr. and Mrs. W. W. Nicklaus, Mr. and Mrs. Hosea Foster, Mr. and Mrs. J. O. Parker, Mr. and Mrs. Gordon Lyons, and Mr. and Mrs. M. E. Cantrell competed for high scores which were won by Dr. Jarrett and Mrs. Parker.

LILA MAE HUNTER HAD BIRTHDAY PARTY FEB. 19

On Saturday, February 19, Mrs. John Hunter, assisted by Mrs. J. J. Wright and Mrs. Bradley Burrus, entertained to honor her daughter's eighth birthday.

Lila Mae and her little friends, Shirley Ann Peppard, Juanelle Burrus, Ruth Ann Bolton, Doris Bourn, Betty Burrus, Tommy Myers, Almeta Ruthardt played games during the entertainment hour.

Refreshments of ice cream and cake were served.

Friends who could not attend the party but who sent gifts were Bobby Cole, Ted Briggs, and Mrs. Upchurch.

MRS. J. J. WALKER WAS HOSTESS TO 1925 CLUB

The 1925 Bridge Club met at the home of Mrs. J. J. Walker Wednesday afternoon. A salad course with hot rolls and coffee was served to the following: Mrs. J. L. Dufflot, Mrs. T. A. Black, Mrs. W. A. Warren, Mrs. Gordon Lyons, Mrs. Ray McReynolds, Mrs. J. D. Barker, Mrs. J. Madison Daugherty, Mrs. Dan K. Usery club guest, and the hostess. Mrs. Glenn Dowlen and Sue Lane Neff came in for the tea hour.

MUSICAL ARTS CLUB HAS REGULAR MEETING

Monday evening the Musical Arts Club met in the home of Mrs. T. H. Knighton for the regular meeting.

Members attending were Mrs. A. K. Knott, Mrs. H. A. Brown, Mrs. Newton Harrell, Miss Maude Cuenod, Miss Margaret Barrett, Mrs. Tommie Montfort, Mrs. Dan Sanders, Mrs. Wallace Clark, Miss Marie Fronabarger, and the hostess.

Private Ray T. Bosley is spending a delayed transfer furlough with his parents, Mr. and Mrs. Cecil Bosley. Pvt. Bosley is being transferred from Sheppard Field to Kelly Field, San Antonio where he will be trained for an instructor in armament.

Who Wants To Buy A Pig-In-a-Poke?

When colds strike in your home you can be mighty glad the medicine you want has a name. It would be like buying a pig-in-a-poke, if you didn't know just what to ask for at the drug store. You don't want to take needless chances when it comes to colds, and you don't have to either! For example . . . The name Vicks VapoRub is your guide to the best-known home remedy for relieving miseries of colds. Ask for it by its trade-marks.

Vicks Vapo Rub

Statement Made On Funds Boy Scouts For 1943

When W. G. Sanderson, group committeeman for Troup 231 brought the financial report of the Randall County District Boy Scouts to the News office he made this statement: "This is the report that I asked the Scout Executive W. M. Teague to submit for publication to show this community how the Boy Scout Funds are spent and the present financial standing."

Following is a summary of the report: Receipts from dues and other sources from January 1 to December 31, 1943, \$733.60. Balance on December 22, 1942, \$60.70. Total receipts December 31, 1943, \$794.30.

Expenditures for 1943: Local incidentals \$39.51; to Llano Estacado Council \$350.00; total expenditures \$398.51. Balance December 31, 1943, \$404.79.

E. T. Brian, M. M. 2/c of the Seabees, U. S. N., was home with his mother, Mrs. P. K. Brian on a thirty day leave from overseas duty of several months. He was with the Master Arms force of Treasure Island, Calif., and left Tuesday for further duty.

Pfc. James Shelmutt, Pfc. Roy Long and Pfc. Al Morgan are home this week from Camp Custer, Michigan, where they are serving in M. P. duty. They will return Sunday.

"We Are Buying War Bonds—Are You?"

Part of Sgt. Edward Straube's left foot was shot away at Ferryville, near Bizerte, North Africa. At Halloran General Hospital, Staten Island, N. Y., they are building up his foot again. Sgt. Straube, from Perth Amboy, N. J., buys War Bonds regularly.

Sgt. Bernard Rello, 22, of New York, was wounded by snipers during the Sicilian campaign. His grandparents live in Naples, and he has a brother in the army. Both buy War Bonds regularly. Do you do as much?

Technician 5th Grade John A. Wisniewski, 25, of Door, Mich., lost his right eye, three fingers and suffered chest wounds from shrapnel in the fight to capture Tunis. He is now recovering at Halloran and is a regular War Bond purchaser.

Pvt. Bernard Heidemann's left leg will be two inches shorter when he is discharged from Halloran. He was wounded by a German bullet during the operations in Sicily last August. His home is Chicago. He has been in traction since Sept. He's buying bonds.

The nickname of Pvt. Milton Lieberman, 27, of Brooklyn, is "Clark Gable." He was wounded in Sicily last August and has been at Halloran since October. Every payday \$12.50 is taken out for War Bonds Lieberman is buying. How many do you buy?

Delegates Come I. R. C. Meeting

Three Nationally Known Speakers Here For Meet

The International Relations Clubs Convention members who will attend the conference this week on our campus are from four schools.

Texas Technological College at Lubbock will send a delegation on Friday. There will be nine people from Tech.

New Mexico Military Institute is coming from Roswell, New Mexico. They will send three delegates. The President, F. H. H. King will be here.

Four boys and eight girls from Wayland Baptist College in Plainview are to be here by Friday night. Eastern New Mexico College at Portales, New Mexico has stated that it will send a number of delegates but as yet have not given a definite number.

Our own organization should have at least thirty-five students who could attend the meetings, and the round-table discussions and enjoy them. Miss Boone Todd is the President of the West Texas State College International Relations Club.

Speakers for the meeting are nationally known. Wilson Leon Godshall, Professor of International Relations and Diplomatic History and Director of the Summer Institute of Politics at Lehigh University, Bethlehem, Pa., is a graduate of the University of Pennsylvania where he also received his A. M. and Ph. D. degrees. Dr. Godshall has been honored with scholarships and visiting professorships in a wide variety of states and in the Philippines and China.

Amy Heminway Jones, the Carnegie Endowment representative in charge of the International Relationship Clubs, will conduct the meetings called to discuss the Club work. Miss Jones has had wide experience on this continent and in Europe and is a well-known participant in international conferences.

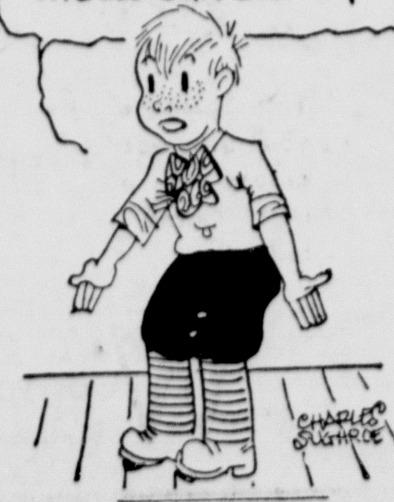

Lionel H. Laing, the third member of this speaker trio, is a member of the Department of Political Science at the University of Michigan. Dr. Laing is a graduate of the University of British Columbia, Vancouver, receiving his M. A. degree at Clark University, and M. A. and Ph. D. at Harvard University. He has had extensive experience on this continent and is an author of note on International Law.

Pvt. Dannie M. Gillham is visiting his mother and sister, Mrs. Mattie Gillham and Annie Lee, during his delayed transfer from Sheppard Field, Wichita Falls, to Kearns Field, Utah. Private Gillham will be greeting friends until Feb. 28.

Dr. Harry A. Brown attended a District Chiropractic Meeting in Amarillo Sunday. Business of the district was attended to and a few lectures were given.

MICKIE SAYS—

"TH' HOME NEWSPAPER COMES INTO ITS OWN THESE TROUBLED DAYS. IT IS DOMINATED BY NO INTERESTS, HAS NO AXE TO GRIND, AND IS HONEST. YOU SHOULD SUPPORT IT!"

W. T. High School Juniors Will Give Play Friday Night

Tomorrow night the Junior Class of W. T. Demonstration School will present "Big Hearted Herbert" in the Demonstration School Auditorium.

"It has long been an open question as to whether father or mother know best how to bring up the children. Some say one thing, some say another. Sophie Kerr and Anna Steese Richardson seem to side in with Mother and prove their point very logically and entertainingly in this uproariously funny play.

"Herbert may be a great man in his factory, but at home he seems to be unable to adjust his viewpoint toward the rising generation, and the result is an evening of unbounded pleasure to the theatre goers.

"He storms and fumes and threatens, but his weapons are futile before the delightful feminine wiles of his loving and long-suffering wife. It's all right with us, though—few men escape defeat on the home grounds."

These quotations are proved by Kenneth Goodman as Herbert Kalness, Neal Jennings as Robert Kalness, Jean Smith as Elizabeth Kalness, Dottie Boling as Martha, Bill Hood as Herbert Kalness, Jr., Laura Glenn as Alice Kalness, Bill Miller as Andrew Goodrich, Betty McAlister as Amy Lawrence, J. W. Higgins as Jim Lawrence, E. W. Womble as Mr. Goodrich, Dorothy McAfee as Mrs. Goodrich, Irving SoRelle as Mr. Havens and Wanda Moore as Mrs. Havens.

GARDENING—

(Continued from page one) continued through August and September. As seeds mature, they are gathered for next year's garden.

By October the seeds are usually ready for systematic storing. The same plan of cultivation and harvest continues through this month. After the first killing frost in November, all rubbish is cleared from the garden plot. Then this year-round gardener checks final results and makes notes for improvements.

In December he fertilizes with barn manure, in accordance with the needs of his soil. He spades or plows to a depth of 6 inches.

Since a portion of good gardening is done in retrospect, as well as in prospect, the true "Son of the soil" really enjoys his achievements. He feels doubly repaid for all the careful planning and hard work because his family has been well fed, his store room shelves filled with a varied assortment of vegetables, and such food has been shared and sold. He knows, too, that he has made an appreciable contribution to his nation's food supply at a time when it is probably more urgently needed than ever before.

"Lassie Come Home" at Olympic Theatre, February 27-28. The one you MUST see. Matinee Monday, 3 p. m.

Master Don Dickerson is visiting an aunt, Mrs. M. O. Elliott, in Tulsa.

WARWICK'S

PAK H. D. CLUB MEETING ON THURSDAY

"Wherever you find delinquent children, there you will find delinquent parents," Mrs. James Eddie Park told members of the Park Club at the regular meeting in the home of Mrs. Ray Bennett Thursday. The topic of Juvenile Delinquency evoked lively interest among the members, and everyone contributed to the program.

The club voted to take cookies to the USO once a week. A party for club members and families was planned for Friday night, Feb. 25.

Members present were: Mrs. Flynn Winters, Mrs. E. E. Adams, Mrs. Walter Simon, Mrs. G. A. Colling, Mrs. F. A. King, Mrs. C. W. Wineinger, Mrs. Herrick Simon, Mrs. Elmer Winters, Mrs. James Eddie Park, Mrs. Frank Simon, Mrs. Chas. Thurmon, new member, Mrs. O. E. Wineinger, and hostess, Mrs. Ray Bennett.

Rufus M. Johnson, B. M. I. C., who was stationed at Mayport, Fla., was home last week on a six day leave, with his parents, Mr. and Mrs. Jim Johnson. He was enroute to San Diego, Calif., where he was recently transferred.

J. W. Brian, Ph. M. 2/c of San Diego, Calif., was home on delayed orders with his mother, Mrs. P. K. Brian. He will leave here the 26th for San Bruno, Calif., embarkation point where he will await further orders.

Little Linda McNeil, infant daughter of Mr. and Mrs. John McNeil, is recovering from a serious illness. She is still in a hospital in Amarillo.

Sydney Burgess of Army Technical Village, Amarillo, has returned to his home from a major operation fifteen days ago in an Amarillo hospital.

Sgt. and Mrs. Jack Walker and Sgt. and Mrs. Al Booth of Fort Sumner, N. M., spent the week end in the T. S. Maxwell home.

Mrs. W. A. Poe from Pampa Air base is visiting her brother, Guy Harp and his family.

Mrs. Anna Lee Vineyard spent Sunday night in Amarillo visiting Miss Sarah Slack.

Wayside Items

Mrs. Ida Sluder is still confined to her bed most of the time.

George Gillham made a trip to Happy one day last week.

The J. R. Stockett family were Happy callers Saturday afternoon. W. R. and Glenn Franklin were Happy callers Friday.

Mrs. Bertha Mahler and daughter, Mrs. Jessie Chloe Lane, are back from their 10-day visit to different points in Kansas.

Mrs. M. L. McGehee, Dewitt and Mrs. Sarah Beth and little son, George, and Mrs. Lorine Abbott of Salt Lake City, Utah, met Lyman York at the Myles McGehee home near Garden City, Kansas, when Lyman had a few days leave last week.

Clifford S. Stevens has recently been promoted from Corporal to Sergeant. He works in twin engine flying training group at Frederick, Okla., Army Air Field.

Mrs. John Flesher Taken by Death

Mrs. John Flesher, former resident of Canyon and Happy, died Tuesday in Houston. Survivors include Mr. Flesher, a daughter, Mrs. Bill Deckman of Houston; a son, John Jr., who is in the Navy, and two brothers-in-law, W. J. Flesher of Amarillo and Charles R. Flesher of Canyon. The brothers-in-law departed for Houston last night. Funeral services have been set for this afternoon.

Mrs. N. E. McIntire was in Dallas this week attending The Gift Show.

The ancient Greeks did not have family names; the Romans usually had three.

Moths do not eat fabrics, but lay their eggs in the fabrics which provide the larvae with food.

New York State has a greater population than the whole of Canada.

The scarab is a beetle sacred to Egyptians as a symbol of fertility and resurrection.

A bore is a person who never makes a long story short.

Canyon Air News

Hello Folks:

The gang at the pilot house is happy to announce the arrival of our new manager, Tom E. Smyer of Ponca City, Okla. Mr. Smyer comes to us highly recommended by the firms and individuals who have had much to do with him in his line of business. He began his flying career in October of 1934 and purchased a Travelair plane in December of the same year. He received his commercial pilot's license in 1936 and was manager of the airport at Arkansas City, Kansas from then until 1939. He was an employee of the Kanotex Refining Co. from 1931 until 1939 at which time he started a Civilian Pilot Training School in conjunction with the Northern Oklahoma Junior College at Tonkawa, Okla. He owned the Ponca City School of Aeronautics and operated under CPT and War Training Service contracts, giving flight training in primary courses, secondary, cross-country and instructor courses and Liaison courses. His last contract was for the training of CAA-WTS flight instructors. This course was stopped January 15 of this year when the entire instructor course set-up was closed. Mr. Smyer has instructed in various advanced courses of flight and has a total of 2600 hours flight time to his credit. He is State Distributor for Piper planes in Oklahoma and also distributor for Continental aircraft motors. Mr. Smyer is one of those lovable types of pilots that we hope will be accepted by grace by the Canyon people.

Because of the burden of the General Manager and Chief Pilot, Mr. Smyer has been called here to relieve the burden by attending to the General Managerial duties. S. E. Attaway is now Chief Pilot and Assistant General Manager.

Harman F. Ring, Resident Flight Supervisor, is now in Fort Worth attending conference of all Fourth Region Civil Aeronautics flight men. The Gang at the Pilot House.

Jean Prater spent the week end with Dorothy Gafford in Amarillo.

Robert Black attended to business in Dallas this week.

Jumpers thru Spring!

New Blouses and Sweaters

McDONALD SHOP

Mrs. Kenneth Gibson from Lubbock is spending the week in the parental C. H. Jarrett home.

J. A. Guthrie is in Stephenville at the bedside of a brother who is quite ill.

Miss Ray Dean Stone from Amarillo visited Mrs. Clarence Boehning over the week end.

Mr. and Mrs. B. B. Cluck visited with his sister, Mrs. B. L. Jennings in Tulsa Sunday afternoon.

Mrs. Fairy Hill is still in Amarillo attending her baby son, Steve, who is ill in a hospital there.

LOOK THEM OVER! These health building foods, which you will find in abundance in our store. Rationing started just a year ago. No one has suffered because of the lack of good foods. Our store reveals that we have been able to supply your table with foods which you need every day, and which give you health and strength for the hard work which all Americans must do these days. Bellah's will be able to serve you—so call at our store every day, and let us help you with your rationing and food problems.

Bond and Stamp Sales Reach High Peak

Gordon Achieves Top Honors At Tourney

Dimmitt Takes Final Skirmish

Chieftains Defeat Eagles Two Games for Second

After reaching the semi-finals in the district tournament held at Dumas last Friday and Saturday the Canyon Eagles suffered a second defeat of 30 to 37 by the Friona Chieftains. Leading the Eagles in tallies was Leslie Gordon with 7 points to his credit. He was closely followed by J. Spencer Winn who rang up three field goals. High scorer of the Chiefs was Reed who tallied 18 points.

In a preceding game the Eagles turned out victors against Dumas with a score of 26 to 23. Eagle Don Standley soared high above the others with ten tallies. Paul Thompson from Dumas scored 16 points to be high man for his team.

Friona Defeats Eagles

Playing Friona for the first time Friday morning at ten o'clock the Eagles were downed by a score of 36 to 40. Head man for the Eagles was Max Bosley who made ten points. Next in line was Leslie Gordon with eight points.

Only one man, Leslie Gordon, center, from the Eagle Squad was honored by being chosen for the all-district team. Other members of this team include Trieder from Friona, Curtis from Dimmitt, Paul Thompson from Dumas, Cook from Dimmitt, and Stark from Friona. All these boys received golden miniature basketballs except Stark, who received a silver basketball for sportsmanship.

After riding with the teams from Friona and Hereford on Friona's bus, the teams were accommodated Thursday and Friday nights in homes. The teams attended a party Friday night and a dance Saturday night given by citizens of Dumas.

Dimmitt won the finals over Friona Saturday night. Both of these teams will go to Plainview next Thursday and Friday to the Regional Meet.

STUDENTS AWAKEN!

We, the students of today, must awaken to the fact that, as the present younger generation, we are building the minds and bodies of the generation to come. We, the students of today, will be the mothers, fathers, workers, farmers, officials—the leaders of tomorrow.

Are we amply equipping ourselves to carry this responsibility? Can we, with a clear conscience, take up the load when our parents step

According to all the basketball boys, Canyon would be better if it were more like Dumas, but the GIRLS like it just as it is.

Saw Earl Lock Neff and Bobby Black upholding the welcome tradition Saturday night when two Canadian girls came over for a visit. If anyone wants to know who they are Mary Lindley and Barmen Camp.

Has anyone heard the new nickname applied to Leslie Gordon since he returned from Dumas? It's "Romeo," and from what I hear, it really fits. Who'd have thought it?

Who said there's a man shortage? At least Ruth Price is doing all right—saw her with Charles Head, J. Ray Hunter, John Gill and John Wilson (college guy) Sunday night. Congratulations Ruth, how DO you do it?

Guess what? Max Bosley has a new theme song since he traveled to Dumas. Seems they have a new game over there and ever since Max has been singing "I Don't Want To Walk Without You." Who was she, Max?

Tommie Thompson has worries of his own these days. He can't figure out how to return a certain identification bracelet to a certain Charlotte McDaniels. Could be he's enjoying wearing it. (Could Be!)

Anybody knowing the whereabouts of two mysterious people commonly referred to by basketball boys as Pinky and Dorothy please turn this information in to Cal as soon as possible.

into the background, knowing that we have done all in our power to prepare ourselves to meet all obstacles? And can we take the added responsibility of building up a war-weakened nation? Students, the leaders of the post-war world, this is one duty we cannot dodge!

BUY MORE WAR BONDS.

Blushing Maiden Pops All-Important Topic

She walked up to his side and shyly took his hand. Pressing it enthusiastically, she gazed longingly into his dark eyes. Eagerly she asked the lad a question that had been lingering on her lips for four long years. Breathlessly she awaited his answer. Would he drive her to suicide with a "no," or would he make her sublimely happy with a "YES?" ... Well, fellow colleagues, the answer is left up to you.

This brief skit is symbolic of many such scenes that take place in this year and all years similar. For this is an outstanding year to all members of the so-called weaker sex. The year of all years—LEAP YEAR.

Those girls who didn't know of the marvelous opportunity of Leap Year before now are a little behind, but there's no time like the present. Well, girls, what are you waiting for?

Mother Receives Medal for Son

Coming to the front in the present war is another former student of Canyon High School, Lt. Thomas H. Lair. By order of the President, he has been awarded the Air Medal of Honor for meritorious flying over the continent of Europe. Although Lt. Lair did not graduate from Canyon High School, he attended school here for several years.

This high award was presented to Mrs. Tom Lair, his mother, in an impressive retreat ceremony, Sunday afternoon at Amarillo Army Air Field. It was not presented to the flyer because he is a prisoner of war in Germany at Stalag Luft 3 prison camp. He was shot down in the famous raid over Schweinfurt, Germany, on October 14, 1943. Preceding his capture, Lt. Lair was a pilot on a B-17 Bomber.

Cast Determines Production Date

Members of the senior play cast met with their director, W. G. Sanderson, Tuesday, February 15, and set March 31 as the date for the presentation of their selected mystery farce, "Demon in the Dark."

As yet it has not been decided whether rehearsals, which will begin March 6, will be held in the afternoons or evenings; and backstage workers have not been chosen. These things will be decided upon at a later meeting.

A remarkable civilization was developed in Central America by the Mayans before the time of Columbus.

ATTENTION!

\$75,000! It sounds like an awful lot of money, but when we measure it in terms of freedom, it doesn't seem nearly so great. When the future of our nation depends so heavily on the effort put forth by its citizens, can anyone who really possesses a love for his country evade the issue? With the help of the people of this community, we, the students of Canyon High School, can raise our goal ... and we will!

Ex-Student Wins Prize at Party

Last Wednesday night the Canyon High School seniors attended a varied-games party in the grade school gym. Ping-pong, dominoes, and "42" furnished diversion for the evening.

Manus R. Foster, a mid-term graduate, was awarded first prize in the "42" games, while Billy Bonfield and Charles Hillier tossed a coin for the booby prize.

Those present were members of the senior class, Mr. and Mrs. W. G. Sanderson, Supt. and Mrs. J. B. Speer, Mr. and Mrs. Tony Simon, and Mr. and Mrs. Joe Cox.

A committee composed of Ruth Price, Charles Head, J. Ray Hunter, Peggy Head, Claudine Foster, Mollie Nann Ziegler, and Wynema Robbins prepared and served refreshments of varicolored popcorn balls and bottled drinks.

Farmers Initiate New Members

Canyon Future Farmers will initiate twenty Green Hands into the F. F. A. Friday night, February 25.

Boys who will be initiated are Max Bellah, G. J. Bonds, Clifford Burtz, Wayne Davis, Hubert Drake, Charles Evans, Frank Gipson, Jones Hales, Roberto Hernandez, Tommy Hunter, James Inman, Delbert McBroom, Jack McBroom, Eugene Morris, Clifford Prichard, Ira Prichard, Berl Rodgers, Jesse Styse, Bennie Woods, and Charles Wright. These boys will receive Green Hand pins as soon as they arrive.

"There's nothing more dangerous than the unthinking advocacy of action. It's the calculated effort, not the snatch, that brings home the filet mignon."—Seabury.

Since, in some parts of the world the land is far below sea level, it is actually possible for an airplane to fly lower than a submarine can dive.!

A cautious man is one who doesn't throw away his pipe when he quits smoking.

Official Declares Recognition Day

For the purpose of allowing farm people, as well as schools, to pledge themselves to even greater achievement in the future, the Governor has proclaimed February 25th as "Farm and School Victory Day."

Some scattered recognition has been given to the services public schools are rendering in the war effort, but none consistent with the real value of their contributions. This special date of recognition will help to pay an adequate tribute to them.

A state wide radio broadcast on the subject is scheduled for 8:30 to 9:00 p. m. on Friday, February 25th.

"This will be an opportunity for you to re-sell farm people on the fact that schools occupy an essential position in the community and to point out again the ability of schools to adapt their programs to changing needs," stated State Supt. L. A. Woods.

Librarian Orders Book Shipment

To establish a greater variety in reading material, Mrs. J. W. Kleinschmidt, librarian, has ordered several new books for the library.

These books are: Far Past the Frontier, by Braden; Meet India, by Marie L. Cline; Landmarks of New Mexico, by Edgar L. Hewett and Wayne L. Mauzy; Meet Mr. Grizzly, by Mantague Stevens; 27th Edition 1943-1944 Handbook of Chemistry and Physics; Twentieth Century Authors, edited by Stanley J. Kunitz and Howard Hacratt; Current Biography, Vol. 3, 1943.

"I think the reference books will be very helpful to the students in any kind of research work they need to do," said Mrs. Kleinschmidt.

Farmers Receive Silver Emblems

For the first time, Canyon High School's F. F. A. Chapter has been able to obtain rings in addition to the usual pins. On the face of the ring is the F. F. A. emblem, while the sides have an eagle, with outspread wings, holding a shield with the letters "F. F. A." on it, under which are two crossed stalks of corn.

These rings are made of Balfour Sterling Silver. To obtain them, the boys must be chapter members.

"Pyorrhea" May Follow Neglect

Did you ever see an attractive person with irritated "GUMS"? Druggists refund money if first bottle of "LETO'S" fails to help. City Pharmacy.

GRADE NOTES

Visiting Mrs. T. W. Collins over the week-end were Mrs. Terrell Christian and daughter, Jimmie Carolyn, of Claude. Mrs. Christian is the former Frances Collins, ex-student of Canyon.

Miss Florence McMurray's fourth grade has undertaken a patriotic unit in their studies. Silhouettes of Abraham Lincoln and George Washington are on display along the blackboard, while posters of victory are in the making.

With Houstine Prichard in charge, the fourth grade, under the direction of Miss Florence McMurray, presented a good manners program to the class Friday, February 18.

George Washington was the topic in the third grade program and social hour, Tuesday, February 22. This class, taught by Mrs. Houston P. Doughty, presented the program before being served hatchet-shaped cookies by their room-mothers.

Mrs. Andy Walsh's fifth grade elected officers for the second semester Friday, February 18. They are: President, Barbara McDougal; vice-president, Walton Byrd; secretary, Stanley Lair; treasurer, Phyllis Littleton; reporter, Katherine Furlow.

After the election of officers, the program chairman, Bertha Lindsey, read some humorous poems followed by a Kay Kyser program with Walton Byrd and Stanley Lair officiating. Winner of a dollar's worth of war stamps by having a perfect score was Phyllis Littleton. Refreshments were served by the program committee.

A lot of mistakes that are charged to experience should be charged to stupidity.

Parents Further Students' Sales

Students Enlist Citizens' Aid to Reach High Goal

Pushing the sales of War Bonds and Stamps to an all-time high, students, teachers, and friends of Canyon Public Schools have purchased \$8,782 in bonds since January 1. This may seem a huge sum for one school to purchase, but it is merely a small amount in comparison to the goal we have set. If we are to buy the \$75,000 Mustang Pursuit Plane for the United States Army, we must buy or sell \$4,138.63 per week until June 2, when the campaign closes. So far, we have averaged \$1,000 per week. Of course, the school can always lower the goal and buy a training plane, but in past years it has been our policy to attain the goal that has been set.

If we are to live up to the standards of Canyon High School, each student must urge his parents to buy bonds and stamps through the school.

Buy In School's Name

Many parents prefer to buy their bonds through the bank or post office. It is possible for them to do this and still help the school by asking the cashier or clerk to post the amount bought to the credit of the school and then notify some high school student or teacher so that the amount can be included in tabulations made at school.

All bonds bought through the school are counted on the Randall County quota. Only the E series (personal bonds) may be counted on the school's plan.

"If we do as well from now on as we did last week, when we sold over \$5,000 in bonds, we can buy the plane and have the name of the school inscribed in it, but every student must work hard in order that we may reach our goal," said Mrs. A. K. Knott, sponsor of sales.

The first college fraternity in America was the Flat Hat Club, organized at William and Mary in 1750.

The Fifth Freedom

...to own your home!

When we've won that Fifth Freedom, we've gone a long way toward winning the other four. And that, brothers and sisters, is worth the effort. We are winning it, too, without realizing it. We have the time to plan a better home now and, at war's end, we'll have the cash tucked away in Victory Bonds.

Southwestern PUBLIC SERVICE Company

B'long New Guinea Job Again, Makum Rubber

A BATCH FOR THE FACTORY
CUTTING AND ROLLING
MIXING VAT
SIX-DAY CURING

The pompadoured Papuan boys who took to the hills when the Jap struck are back at work on the New Guinea rubber plantations, now that the invader has been driven back—tapping and processing latex in a land where rainfall reaches 140 inches a year. Rubber production began on New Guinea some 30 years ago when pioneer planters imported trees from Malaya, taught the fuzzy-wuzzies how to tap, how to operate the machines that turn liquid latex into sheets. When war came, the labor supply scamped and the planters evacuated to Australia. Now, under Australian army control, rubber is coming out again—to feed the Allied war machine.

Louis Hinders Is New Manager Of College Farm

Louis Hinders, from near Happy, who has worked on College Farm since his graduation from Canyon High School in 1943, has been chosen Student Manager of the farm. Hinders took over the duties on February 1; he has high ambitions that the farm productions will be raised in the near future, and that the spirit of the T-Anchor farm will continue to live.

Boys who have stayed at the farm have learned by experience, self-government and the dairying, cattle management and hog feeding. Many Panhandle agriculture instructors have lived at the old T-Anchor Headquarters, now known as West Texas State College Farm. Although present world conditions have decreased the number of boys staying on the farm, the ones there now are holding up the record and standards that were once set, and profits are on the upward trend.

First Installment Made on Jeep For W. T.

Part by Part the students of West Texas State College are helping to assemble another jeep by the purchase of bonds and stamps, and last week proved to be a busy time on the task for \$125 in bonds and \$96 in stamps were added by a variety show Thursday night.

Directed by Dr. James Butler and M. J. Newman, the show included numbers by the college band, the stage band, the speech class, and individual soloists. It was the second All-College Stage Production of the year and was sponsored by the Defense Stamp Committee. Most of the participants are members of the West Texas Troupe who travel to high schools and Army bases in this part of the country.

lections for December were 33 per cent over November, WPB reports. . . . If war food goals are to be met all available red clover seed must be planted this year, WFA asserts. . . . WPB has reduced the 1944 manufacture of paper towels for home use to 80 per cent of the 1942 base period output. . . . Farmers will have more potash salts for fertilizer use this year than during the two preceding years, WPB announces. . . . A general retail price reduction to the consumer of Chinook salmon is expected to result from establishment of OPA of a 20-cents-per-pound ceiling price for certain producers.

FRUITS-VEGETABLES
SET ASIDE
Canners were directed to set aside increased quantities of canned fruits and vegetables from their 1944 production for Government requirements in order to meet expanded military needs, WFA has announced. The increases principally are for canned apples, fruit cocktail, peaches, pears (Bartlett), lima beans, sweet corn, peas, tomatoes, and tomato juice.

ROUND-UP
WPB has authorized production during 1944 of 1,400 motorcycles for essential domestic civilian use, 80 for Canada, 650 for export, and 50,000 for military use. . . . Use more potatoes in 1944 is the recommendation of WFA following the harvesting of the largest potato crop in history last year. . . . WPB expects a limited number of domestic electric ranges to be available for essential civilian needs during the last half of the year. . . . U. S. war expenditures in January amounted to \$7,416,000,000, almost 7 per cent over December, and an average daily rate of \$285,200,000. . . . Because of problems in getting feed, U. S. production of hatchery chicks in January was 20 per cent under January last year. . . . Total retail sales for 1943 were \$63,269,000, an increase of 10 per cent over 1942, according to the Department of Commerce. . . . Boys and girls under 20 who leave home seeking war jobs should carry with them proof of their age, advises the U. S. Department of Labor. . . . Copper may now be used in the manufacture of automobile radiators, gaskets, fuel and oil lines, brake and clutch lining rivets, and other essential parts, according to WPB. . . . "Small business is more important to this nation today than ever before," declared Donald M. Nelson, Chairman of WPB, and should be given top priority when surplus materials of war are released. . . . Although the points-for-fats plan did not go into effect until December 13, fats col-

QUIZZ PROGRMA Held Tuesday at Rotary Club Luncheon
Clyde Warwick was in charge of the Rotary Club program Tuesday. His subject was George Washington and the Constitution. A quiz program was conducted on the little known facts regarding Washington and the formative days of the republic.

O. W. Biefel will leave next week for Illinois as he has been called for induction in the army. He has been teaching in the 35th Training Detachment since September.

Visitors were: Arthur Osgood of Amarillo and George Heard of Chicago, former student of W. T., who is a chemical engineer.

Don't criticize the wife for saying she went shopping, when she didn't buy anything, 'cause it's very likely you have been fishing more than once and didn't catch anything.

DRUGS and COSMETICS

Don't make an extra trip downtown for those drug or cosmetic needs.

Jarrett's will supply you all at one time. And bring all prescriptions to us, for prompt and efficient service by a certified pharmacist.

TOWN and FARM in WARTIME

Prepared by OFFICE OF WAR INFORMATION

REMEMBERS

Meats, Fats: Spare stamp No. 3 in book four is good for five points worth of pork (except lard) and all types of sausages through February 26. Brown stamps V, W, and X in book three are good through February 26. Brown stamps Y and Z are good through March 20. Red 10-point stamps A8, B8, and C8 in book four are good February 27 through May 20. Waste kitchen fats are redeemed at two ration points plus four cents a pound.

Processed Foods: Green stamps K, L, and M are good through March 20. Blue 10-point stamps A8, B8, C8, D8, and E8 in book four are good February 27 through May 20.

Tire Inspection Deadlines: For A-coupon holders, March 31, and for B and C coupon holders, February 28.

Income Tax: March 15 is deadline for filing returns. Earlier filing is desirable.

RATION TOKENS IN USE SUNDAY

During the three-week period, February 27 through March 20, in changing from the old rationing program to the simplified token plan, two sets of stamps, green and blue, will be used for processed foods, and two, brown and red, for meats and fats. The old stamps, brown and green, will be used exactly as in the past at their regular value through March 20. The token plan will be fully in effect on March 21. Beginning then, processed foods can be purchased only with blue stamps and blue tokens, and meats, fats, and oils only with red stamps and red tokens. The blue and red stamps, effective February 27 are valued at 10 points each. All tokens are valued at one point each and will be given for change only when a purchase is made. No more than nine tokens need be given as "change" in one transaction.

TO REVIEW FARMER DEFERMENTS

Local Selective Boards have been ordered to review promptly deferments of agricultural workers because of the sharp curtailment of available manpower for the armed forces. Selective Service has announced. "It is not expected that local boards will defer or continue to defer a registrant as necessary to and regularly engaged in agriculture unless by his own personal and direct efforts he produces 16 or more war units each year," Selective Service asserted. About 1,700,000 men in agriculture were deferred in class II-C and III-C as of January 1, 1944. Of this total, 400,000 are single men below 22 years of age and more than one million are non-fathers. In all other war production and war supporting activities less than 125,000 non-fathers below the age of 22 were deferred as of January 1.

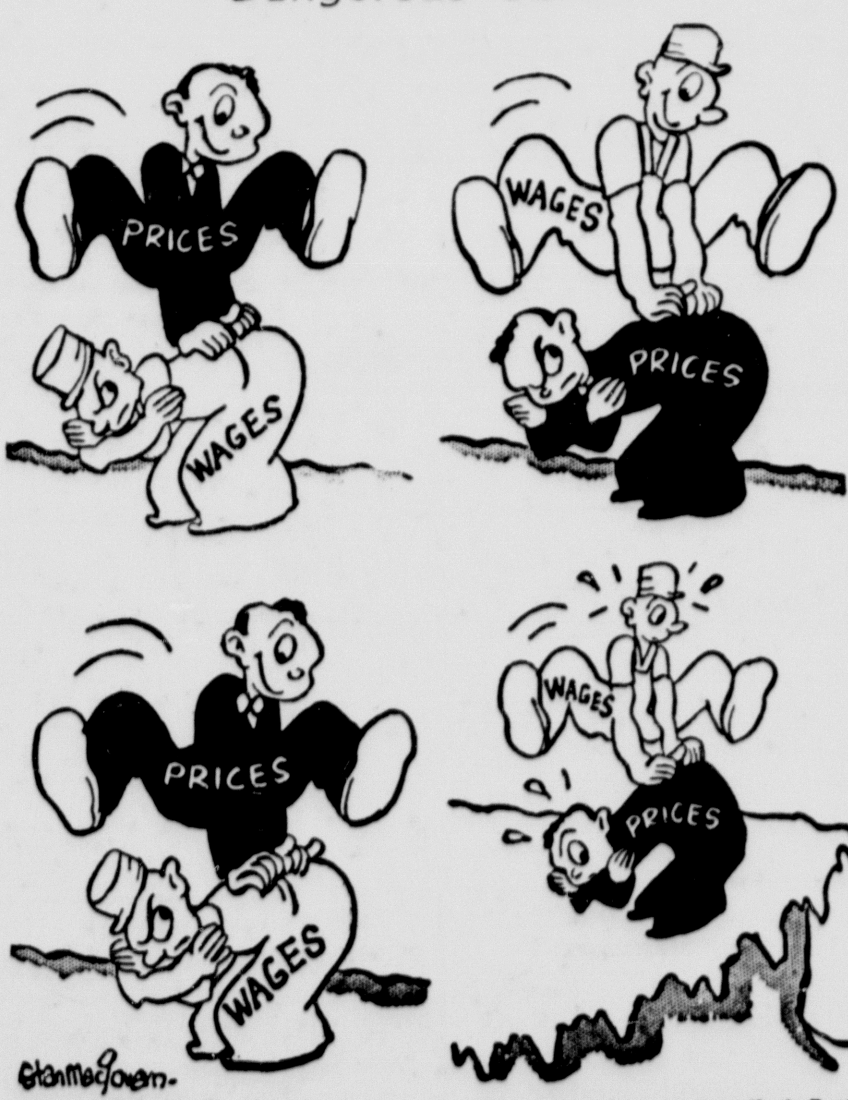

RUBBER FOOTWEAR PRICES UP

An average increase of 6½ per cent in retail ceiling prices of water-proof rubber footwear—rubbers, arctics, gaiters, and rubber boots—has been allowed by the Office of Price Administration to compensate for increased costs. For these higher prices the public will get rubber footwear more nearly approaching the quality of pre-Pearl Harbor footwear than that of the victory line product, OPA said.

ANNOUNCES MORE SUPPORT PRICES

Support prices proposed by the War Food Administration for hay and pasture seeds in 1944 are in general higher than those of last year. Increases of 3 cents per pound were proposed for northern alfalfa, red clover, alsike clover, and biennial yellow sweetclover, and of 2 cents a pound for biennial white sweetclover and Sudan grass. Western grasses will be increased as much as 50 per cent because of harvesting difficulties, and several

Dangerous Game

You Are Invited to Bring Your Car to the Phillips 66 Service Station at Least Once a Week for Tire-Saving and Car-Saving Service

R.S.V.P....

and Uncle Sam doesn't mean maybe!

If you are a patriotic American, this is an invitation which you must read and heed!

The life of our country may depend on the life of your car. If this sounds exaggerated, remember that official estimates declare that the nation's all-out war effort will be seriously endangered if the number of serviceable cars in the U. S. falls below 20,000,000.

In 1943 the number of cars scrapped was 1,500,000. This year 2,000,000 more will probably go to

the junk heap. Yours *must not* be among them. Literally, you must coax and cajole every last bit of usefulness from the aging engine, chassis, and tires of your car.

Phillips 66 service men are specially pledged to perform all services which will improve the operating efficiency of your car and lengthen its life. Phillips Tire-Saving Service includes checking air pressures at least once a week . . . inspecting for nail holes, cuts, and bruises . . . examination of tire carcass to warn you when recapping is advisable and still possible.

Phillips Car-Saving Service includes inspection of battery, air filter, and anti-freeze protection . . . regular lubrication at every point

specified by the maker of your car.

So do the right thing. Do the wise thing. *Care for your car for your country* by enlisting the aid and cooperation of the nearest Phillips 66 service man. Drive in at any Orange and Black 66 Shield . . . sign of famous Phillips 66 Gasoline and Phillips 66 Motor Oil.

Studer-Batty Elected Campus Sweethearts

At the Sweetheart Dance held Friday, February 11, Kappa Tau Phi sorority sponsored a contest in which the campus sweethearts of 1944 were chosen. For several years, this sorority has sponsored an annual contest of this type. Miss Helen Studer and David Batty

were awarded the prize by Carrie Jo Heare, president of Kappa Tau Phi.

The sweethearts were presented in front of a huge red heart on which "Campus Sweethearts" was written in glittering letters. As the prize was handed to the couple the strains of "Let Me Call You Sweetheart" were heard in the background. The judges of the contest were Miss Lee Sullivan, Mr. Ardis Patman, and Mr. Mitchell Jones.

BUY MORE WAR BONDS!

Ambergris, a waxy substance found floating in tropical seas and used in the manufacture of perfumes is almost twice as valuable as gold, with a price of about \$500 per pound.

The Liberty Bell cracked July 8, 1835 when tolling the death of Chief Justice Marshall.

The Germans have discovered a quick way to identify enemy planes. If there are more than three of them, they know it's the Allies.

Postwar casualty?

WILL YOUR CHILD be a victim of this War—after it's over?

Will she grow up in a depression-ridden, poverty-stricken, half-sick country that never recovered from the War?

Or will she grow up in a strong, healthy, prosperous America that offers every girl and boy the best education, the best job, the best chance to make the best living in all the world?

It's up to you. It's in your hands—now.

So—buy War Bonds—now. All you can. Hold them until the date of maturity. Let them bring you \$4 for every \$3. Keep saving—and keep the money you save!

For if all of us do that, this post-war America will be the finest place in the world for your child—and you.

WAR BONDS to Have and to Hold

All sales of E Bonds throughout February count on the County's Quota. Buy another E Bond this week.
